7 I do not understand why this file is sent to the legislature Section at this stage The question that has been dealt to be referred to the Jud! branch relates to the registration of motor-vehicles & bicycles & so far as I remember, has nothing to do with the registering of private carriages. The latter point should first be considered in the Administrative Branch after the necessity for legislation has been approved by Govt, should be referred to the Legve Section for further action Case worker B.v.P. will please bring the file in person
